LINKING LEARNING AND THE ARTS

For over 43 years, ArtsConnection has provided innovative arts programming to millions of students in NYC public schools.

Each year, we partner with over 120 schools across all five boroughs, offering students in grades pre-K-12 innovative arts classes taught by a trained faculty of 125+ professional artists in...

**THEATER · DANCE · MUSIC  
VISUAL ARTS · MEDIA  
PUPPETRY · SPOKEN WORD**

Our goal? ArtsConnection seeks to address the educational challenges of the 21st century through research-based arts programming which promotes literacy, communication, creativity, collaboration and critical thinking. In doing so, we hope to create culturally sustaining and socially just learning environments for all participants.

*All programs can be customized for multilingual learners and students with disabilities!*
