

# PARTNERSHIP OVERVIEW

## EDUCATION THROUGH MUSIC

### WHO WE ARE

Education Through Music partners with schools to provide sustainable, high-quality music education that impacts student achievement, supports positive school culture, and builds community.

### OUR SCHOOL PARTNERSHIPS

Education Through Music partners with strong school leadership to support a shared vision that includes:

- **A comprehensive and sequential curriculum for all children** aligned with state and national standards that is inclusive and diverse.
- **Performances** in which all students participate and serve to demonstrate the skills and concepts learned in the classroom.
- **Professional development opportunities** for non-music teachers that harness music as a tool to access critical thinking, problem solving, and transferable skills.
- **Parent engagement workshops** to strengthen relationships, build community, and encourage student-parent engagement.

### OUR CONTRIBUTION

In order to ensure a positive and successful partnership with each school, Education Through Music provides partner schools with:

- Qualified, well-trained, prepared **music teachers**.
- On-site mentoring, performance management, and **professional development** for teachers.
- Ongoing **strategic planning** and consulting with school leadership, including instructional design and scheduling.
- **Materials and supplies** for music room set up in the first year of partnership.
- **Marketing** and Public Relations support.
- **Government Advocacy** and Lobbying.
