

# SALVADORI S.T.E.A.M.

*Design, Build, Learn.*

We provide academically rigorous multi-day **in-school** and **after-school** STEAM programs to K-12 students in all 5 boroughs. Our programs support instructional goals and help students see the relevance of math, science, and the arts through collaborative, hands-on, project-based lessons tied to the buildings, bridges, parks and communities that surround our students' lives.

## Salvadori STEAM Programs:

- promote college and career readiness
- engage students through project-based learning
- use the students' world as a vehicle for learning
- foster teamwork, critical analysis, creative solutions, and persuasive communication
- support differentiated learning, ELLs, students with disabilities, IEPs, etc.
- give students voice through culturally responsive curricula
- improve comprehension and a sense of relevance
- include all materials and supplies, instruction, teacher pre-planning sessions, grade-specific curricula, and assessment

**Salvadori can teach however and wherever you need us ~ we're here for you!**

- In-person, fully remotely, or blended options are available
- Our goal is always to help your students succeed
