

EDUCATION THROUGH MUSIC

OUR MODEL

Partner with principals to develop a sustainable program in their school

- Integrate music education into the school culture
- Offer professional development to non-music teachers
- Equip new music classrooms

Hire qualified music teachers and match them with a partner school

- Recruit, hire, and employ exceptional music teachers
- Match teachers with the unique needs of each partner school

Equip teachers with the tools to succeed

- Connect teachers to professional peer network
- Provide year-round professional development
- Assign mentors to provide resources and support
- Provide teachers with relevant benchmarks to inform curricula design

Institute a sustainable program

- Partner schools hire their teacher from ETM
- ETM provides ongoing mentorship and professional development

Provide high-quality music education to ALL students
